Welcome to Brno and South Moravian Region

JUDr. Markéta Vaňková
mayor city of Brno

Ladies and Gentlemen, dear cycling fans,

It is an honour to welcome you at the third year of V4 race which I consider one of the peaks of cycling season. In beautiful scenery of our city and the South Moravian region, world's finest racers will compete, to delight of fans, for each kilometre of the track. For many of us, it will be a sight with a strong taste of nostalgia – the classical Brno-Mikulov-Brno race is well written into heart of every sports fan in Brno.

By many, cycling is considered to be the toughest sport. No wonder. During each event, the racers hit the rock bottom of their physical capabilities. Only the

perfect performance, iron discipline, sticking to set tactics, will to go faster when lungs sting and every pump of the pedals hurts, lead to victory. I admire everyone gathered at the starting lane today, because I know that they have to subordinate their whole lives to the beloved sport. You are a great inspiration for all of us.

Sport is not only about competition, it is also about meeting same minded people. This concordance cannot be described with words, it has to be lived – at events such as this race. Let me wish all the racers a lot of power not only to the final kilometres and the rest of you a nice sporting experience and pleasant stay in Brno.

Jan Grollich
The Governor of South Moravian Region

From Brno Velodrome to Mikulov and Lednice-Valtice Area and back to Brno. And finish after attractive climb at Špilberk. That will be a climax of the cycling series Visegrád 4: GP Czech Republic as it should be! Almost five hours in the saddle and nearly 200 kilometres in legs – that is a load even for cycling professionals. The Czech Republic hosts top-class professional cycling race in Moravian settings for the third time. And it couldn't be done without selfless organizers from

Favorit Brno. Their enthusiasm attracted big names from current peloton. We have a lot to look forward to.

Don't miss the race!

Brno is the second largest city in the Czech republic. It is an authentic, vibrant, young and dynamic city.

Brno boasts quite a large number of architectural landmarks and enjoys a rich cultural life. Dominating historical features of the city are the fortress of Špilberk castle and the Cathedral of Sts. Peter and Paul. The unique medieval Ossuary under the St. James is the second-largest ossuary in Europe. More than 20 festivals of culture and theatre take place in the city each year.

Brno is remarkable for its unique functionalist architecture including an icon of functionalism – Villa Tugendhat (inscribed on the UNESCO World Heritage List).

Brno is also an important centre for team sports, there is a wide range of cycling trails, sports and fitness centres, indoor and outdoor swimming pools, multipurpose halls and playgrounds, gym halls, ice rinks and the Brno lake.
